The National Muslim Business Council (NMBC) mission:

- Establish an association that brings Muslim and Non-Muslims businesses and the general business community together into a collective entity,
- Develop a local partnership of networking services for benefit of its membership,
- Promote moral excellence in America's business life,
- Organize a business strategy to support Muslims locally and nationally to invest in each other,
- And, Strengthen and share the responsibility for community economic development and unification with an international perspective
